

Dragon Boat at Mannum

A boat has been donated by DBSA for use at Mannum.

From a meeting held last week, TEN courageous paddlers assembled at Murray Street on Tuesday 12th to launch the new arrival.

All paddlers were ladies of mature age with the exception of the sweep who happened to be Rev John Thompson. John has had previous experience with Dragon Boats in Adelaide and put his hand up when he found that Dragon Boats SA was willing to donate craft to country towns.
